

Paint–N–Take

Once again, come and join Kristine and Paul Wellner.
At Paint-N-Take as it returns to Little Wars.

Whether selecting resin, plastic or lead-free pewter - it's time to dust off the paints and “Get the Lead OUT” 4 Fun! Paints, brushes and ready-to-paint 15-30 mm scale figurines are provided by a variety of sponsors – everything to go from package to finished project. There's room at the table to learn new techniques, fine tune your style or swap tips - engaging for all skill levels. They will be set up in the area just outside of the Lilac the hall by the vendors.
